***We begin the season of Lent this month.
Many people "give up something for Lent," and making a
sacrifice like this is a good thing, to help one remember
the Lord. Some people do extra prayers or good works, and
this is fine too. Have a beautiful and holy Lent!***

***It is preferable to have at least two (or better, three) and no more
than five Servers at a Mass. Four is ideal. If a Server arrives very late (five
minutes or less before the hour), and a substitute Server has already vested,
the substitute will serve. Please be on time---15 or 20 minutes before Mass.***
